VSMPO Tirus Ltd Business Management System Policy (Quality, Environmental and Health & Safety)

Within the context of our organisation, and in support of our strategic direction. We will fulfil our legal and other applicable requirements with this integrated policy that is within the scope of our business management system and international accreditations.

This policy provides the framework for setting and maintaining our quality, environmental and health and safety objectives.

To set our objectives we aim to implement and maintain our BMS Policy and always strive to a commitment of continual improvement and fulfilment of our compliance obligations.

The commitments include;

- To provide safe and healthy working conditions for prevention of work-related injuries and ill health.
- To eliminate hazards and reduce OH&S risks by providing the relevant training for the protection of the parties involved.
- Commitment to the protection of the environment, including prevention of pollution and any specific commitments relevant to the context of the organisation, including the nature, scale and environmental impacts of our activities, products and services.
- Consultation and participation of workers and their representatives in all OH&S and environmental matters.
- Customer requirements are met as and when applicable, for the supply of titanium products which comply with quality standards.
- Satisfying the fulfilment of applicable legal and other requirements.

Top management shall establish, implement and communicate this policy and ensure its availability when requested by any interested party appropriate to our organisation. This would be on introduction to our company, through our website and by internal system availability.

VSMPO Tirus Ltd will continue to improve the business through ongoing monitoring and evaluation of the quality, environmental and occupational health and safety processes by ensuring that the resources are available. This will help us to keep our standards high and to achieve all the objectives to keep within our customer and legal requirements.

With keeping this policy open and relevant to all employees and customers of VSMPO Tirus Ltd, we aim to keep the work place an environmentally safe place to work for all affected by the company's activities.
